

Adding to Your Treasure: Stroke Centers

Should You Consider This Strategy?

We've added a pre-conference **Stroke Workshop** to the Corazon Annual Conference the morning of **Day One, October 15.**

Did You Know?...

- *Stroke is the third leading cause of death in the U.S., with over 160,000 deaths each year.*
- *Stroke is a leading cause of long-term disability.*
- *About 700,000 strokes occur each year; 500,000 of these are first or new strokes, and 200,000 are in people who already suffered a stroke.*

8:30 AM – **Stroke** Center trends and the importance of including a stroke program at your hospital. Learn also the importance of physician involvement.

9:30 AM – **Stroke** specific topics and concerns tackled through group discussions facilitated by Corazon.

10:45 AM – **Stroke** Case Study
